Websites, Portfolios, Profiles

- www.linkedin.com/in/seth-toland-58b16a334/
- <https://github.com/SAToland>

Full-stack web developer with hands-on experience in JavaScript (ES6), Python, and React. Skilled in building responsive, scalable web applications with clean, efficient code. Known for problem-solving, teamwork, and a growth mindset. Eager to contribute to a collaborative engineering team in an entry-level software development role.

Education

Coding Dojo at Online

Full-Stack Software Development Certificate in Software Engineering
January 2025

- Completed an intensive program covering frontend and backend technologies.
- Gained hands-on experience building full-stack applications using MERN and Python-based frameworks

Projects

Tournament Generator | JavaScript, MERN Stack, React

- Built a responsive tournament bracket app with custom React components and dynamic matchup rendering logic.
 - Designed a RESTful backend using Express.js and MongoDB for persistent data handling.
 - Improved user interaction with a clean, intuitive UI and real-time updates.
- eLibrary | JavaScript, MERN Stack
- Led frontend integration of an external API for real-time book data retrieval.
 - Developed secure user authentication and personalized user dashboards.
 - Enabled dynamic book search, review submissions, and MongoDB data storage in a 5-day sprint.

ADDITIONAL EXPERIENCE & SOFT SKILLS

- Built and assembled custom PC platforms, including selecting components, troubleshooting hardware issues, and optimizing system performance for gaming and development.
- Experienced in installing and configuring operating systems, drivers, and software applications for optimal performance.
- Strong customer service background with experience in retail, tire service centers, electronics, and bartending.
- Excellent problem-solving and adaptability in fast-paced environments.
- Dependable, self-motivated, and eager to learn new technologies.
- Strong collaboration and communication skills, with experience working in team-based projects.
- Committed to continuous learning and professional growth.
